1. On the arrival every guest should hand to the reservation office the identity papers for the legal registration. At the moment of the entry on the ground, the customer will receive a coupon for the car and later during the day a personal coupon that approves the regular check-in. The guest should always show the coupon at the entrance upon request of our guards. In case of refusal or the refusal to declare and to prove the name and the taken space, this implies the expulsion from the Camping.
2. The guest should exactly control the registration and should, in case of any discordance or changes, immediately give notice of it. Otherwise the registration is considered to be valid.
3. The barriers within the Camping are closed during the high season between 1 p.m. and 4 p.m. and from 10 p.m. until 8 am. During the medium and high season the barriers are closed between 1 p.m. and 3 p.m. and from 8.30 p.m. until 8 am.
4. During the low season some of our services can be reduced or stopped.
5. **Cars and motorcycles have to remain in the parking areas of the camping. Cars within the parking area should have the ticket on the left-hand side of the windscreen. Without the ticket the vehicle is considered not to be authorised. CARS ARE ALLOWED TO ENTER ONLY FOR UNLOADING (ARRIVAL) AND LOADING (DEPARTURE). During the stay, there will not be given any permission for the unloading of goods, food, supplies or anything else. To do this, you can use the shopping baskets available at the internal barriers.**
6. **Within the high season, the minimum price for tents and caravans are two persons plus the ground. In any case the caravans should be occupied by the family who has booked the ground and shouldn't be left empty. Unoccupied grounds, even if there was paid for in advance, are not allowed. If an empty ground should not be occupied again within 24 hours, the administration staff will provide to remove the whole occupied ground. The customer will pay the costs.**
7. The electric connection is only allowed with a rubber cable in accordance with the EEC regulations and should be placed at a certain height, out of any danger. The electricity is of 220 V and 3 Ampere.
8. The Camping is guarded, but the Management has no responsibility for the camper's money or their valuables. The Management is not responsible for accidents, parking and natural accidents such as falling of branches, pinecones, flooding or other accidents connected with flora and fauna. The camping is responsible for civil damages towards others or things within the limits of the insurance policy.
9. **It is recommended to check every day incoming mails and possible phone calls, which are kept in the card index. The loudspeakers are only used in special circumstances.**
10. The guests should adapt to the local regulations in force as regards the beach and equipment. The boats should be only left at the assigned place and should respect the navigation regulations of 400 m from the coast. It is absolutely forbidden to light fire on the beach.
11. **It is not allowed to introduce unauthorised people on the camping ground. Authorised visitors should leave their identity papers at the reception and these are given back leaving the ground. For a stay that lasts longer than two hours, visitors have to pay the regular daily price per person.**
12. **If necessary, the Camping Management reserves the right not to accept undesired persons or if there are too many. If necessary, the Camping Management reserves the incontestable right not to accept undesired persons or anybody, if the camping is already overcrowded. Furthermore, we don't accept people under eighteen, if they aren't accompanied by a relative (parents, aunt/uncle, grandparents). MINIMUM STAY DURING TRE HIGH SEASON: 7 DAYS.**
13. It is absolutely forbidden to light fire within the camping ground. It is only allowed to use the charcoal barbecue. It is not allowed to light the charcoal with paper, wood, pinecones or combustible liquid. It is only allowed to use the special charcoal to light barbecues or a similar solid-fuel. The flames should be kept low. **It is not allowed to use the barbecue if it is windy.** We ask all our guests to participate in the recycling.
14. Lights-out: from 11 p.m. until 8 am. and from 2 p.m. until 4 p.m. any kind of noise that might disturb other guests is prohibited. **Within that time it is also not allowed to drive with the bike. In high season there is animation.** During some animation evenings there could be a variation of the light-out time. This does not mean that the guests have the right to disregard the normal regulations or to blame the Camping Management with the responsibility of damages in any kind and/ or with relative compensations.
15. During the high season it is not allowed to introduce dogs or other animals. Within the time they are allowed, dogs must be kept on a leash. They can't in any case be taken to the beach.
16. The payment of the stay should be made during the opening hours of the cash department. In order to pay the amount, the guest should show the coupon that received on the arrival. Cash department opening hours: **8 m. - 12 a.m./ 4 p.m. -7 p.m. Departure should be within 12 a.m. For departures after 12 a.m. there will be calculated another day.**
17. **The stay within the Camping implies the complete acceptance of this regulation. In case of non-compliance of this regulation, this can imply the reprimand or the expulsion from the Camping. This is according to the unquestionable judgement of the Camping Management. Furthermore, the Camping Management reserves the right to make changes or add other articles to the present regulations.**
